Aplicação Android

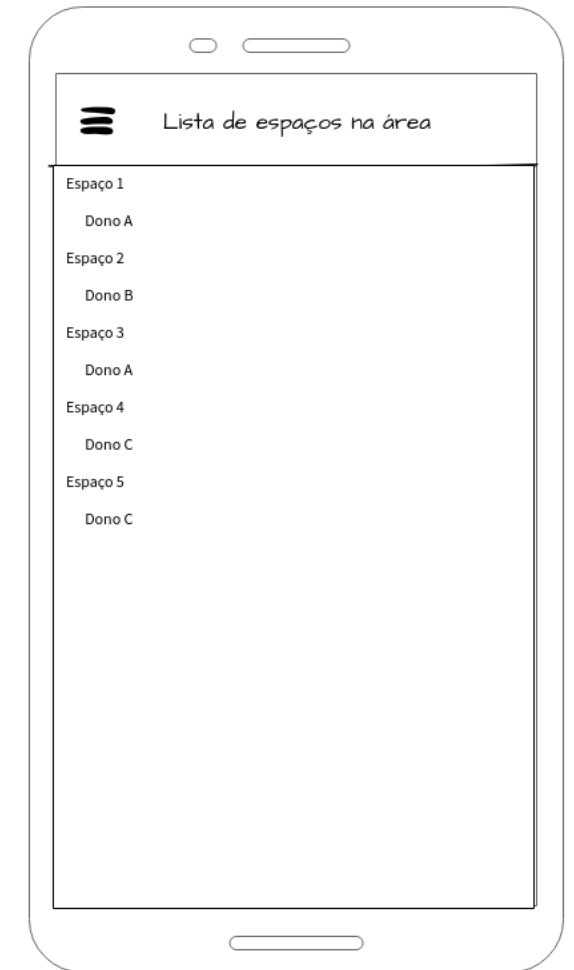

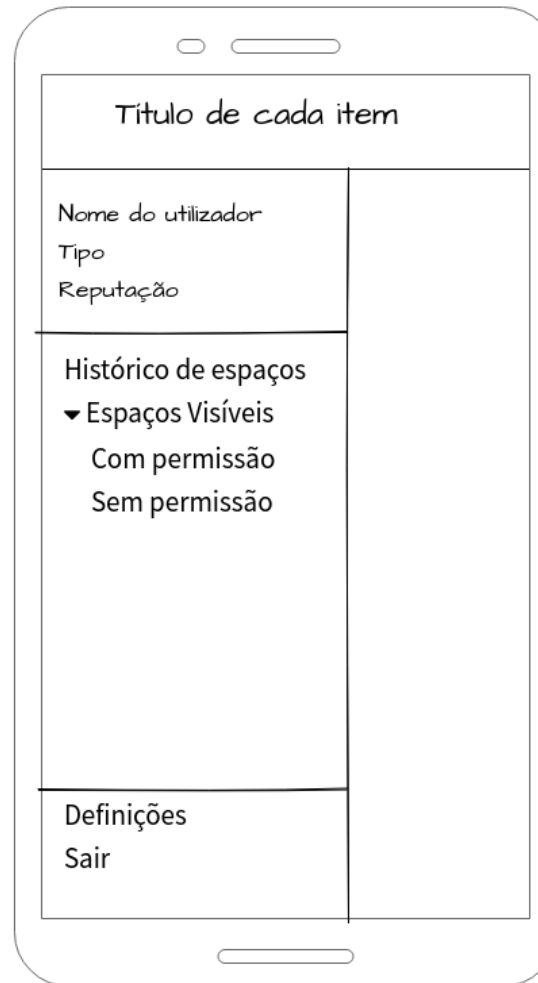

Mockup of a mobile application login screen. The screen is titled "Login". It features two input fields: the first is labeled "nome" with a person icon, and the second is labeled "password" with a key icon. Below the password field is a link "Esqueceu-se da palavra passe?". There is a checkbox labeled "Lembrar-se" which is checked. Below these is a dark grey "Login" button. At the bottom is a blue "Criar Conta" button.

Mockup of a mobile application registration screen. The screen is titled "Registo". It features five input fields: "Nome:", "Password:", "Confirmar Password:", "Mail:", and "Pergunta segurança:". Below the security question field is another input field labeled "Resposta:". A red asterisk note states: "* Todos os campos são de resposta obrigatória". At the bottom is a button labeled "Concluir Registo".

Aplicação Web

The image shows a wireframe of a web application interface within a browser window. The browser window has a title bar with three colored circles (red, yellow, green) and a single tab. Below the title bar is a navigation bar with back, forward, and refresh icons, followed by an address bar. The main content area contains a login form with a 'Login' button, a 'Nome' input field with a person icon, a 'Password' input field with a key icon and a toggle icon, and an 'Entrar' button. Below the login form is a link 'Esqueceu-se da palavra passe?'. An arrow labeled 'Ao clicar' points from this link to a modal dialog box. The modal dialog box contains an 'Email' input field, a 'Pergunta de segurança' label, a 'Resposta' input field, and 'Confirmar' and 'Cancelar' buttons.
